Name:	Luxury Liner Mineral Waterproof Pencils (RTW)
Package:	Plastic Barrel Pencil, sharpener not included
Available Shades:	Lush Black, Lush Brown, Lush Navy & Lush Soft Brown, Tanzanite, Topaz, Emerald

Selling Phrases:	<ul style="list-style-type: none"> • Double ended gel pencils glide on like a liquid liner. • You can feather, smoke or smudge the line with the blending sponge on the other end. • Buildable color, smudge proof and waterproof once it is applied.
Reference Phrases:	<ul style="list-style-type: none"> • Mineral pencils infused with anti-aging fruit and vegetable extracts of Avocado, Lemon, Grapeseed, Tomato, Kiwi and Pear coupled with Vitamin E create a luxurious formula that nourishes and hydrates the delicate eye area.
Usage:	<ul style="list-style-type: none"> • Use to line top and bottom lids with thick or thin or thin line. • Can also be used in inner rim. • We recommend removing it with Double UP! Eye makeup remover, as pencils are waterproof.

Ingredient	Function
